

SENECA FALLS COMMUNITY LITTLE LEAGUE

INVITES YOU TO...

Free!!

THE SWAP SHOP!

MARCH 25, 2023

SENECA FALLS COMMUNITY CENTER

1:00-3:00 PM

Why Swap?

Kids grow out of gear fast, sometimes before a season is over! Let's pass along gear you no longer need or find new-to-you equipment and uniform accessories. Most items available for free. Bigger items will have cost determined by individual sellers.

What to Swap?

SFLL will collect used baseball and softball gear in reasonable condition to swap. Any mitts, bats, helmets, cleats, catcher's gear, balls, batting gloves, baseball/softball pants, equipment bags, training tools, socks, belts, etc.

When and How to donate?

Please drop off any gear you would like to donate at the Seneca Falls Community Center donation bin by **March 24** or contact Hilary Reinwald (email below) to make other arrangements.

Cleaning out? Are last season's pants too small? Donate those pants to the swap!

Cleats too small? Looking for the next size up? Come to the SFLL Swap Shop!

Different color uniform this year? Look for accessories at the SFLL Swap Shop!

Interested in selling a big ticket item (ie catcher's gear, bat) please contact Hilary Reinwald to make arrangements.
